## SINGLE SIDED AIR OVER DESIGN

 REFRIGERATED

*Standard features shown*

B1 BASE SHOWN

*Custom options available, refer to options schedule on page 33*

**\* FOOD PANS NOT INCLUDED**

*Open Rear Storage Standard features shown*

B2 BASE SHOWN

MODEL	DESCRIPTION	LENGTH
T3b-FBSA-B1/B2-3	3 Well Module	39 ¼"
T3b-FBSA-B1/B2-4	4 Well Module	52 ¼"
T3b-FBSA-B1/B2-5	5 Well Module	65 ¾"
T3b-FBSA-B1/B2-6	6 Well Module	78 ¾"
T3b-FBSA-B1/B2-7	7 Well Module	91 ½"

Note: For units with no Food Bar End Modules add 4 ¾" end cap per finished end to obtain total length

### FEATURES:

- All metal base cabinet construction
- Modular design: numerous combinations of well module configurations and Food Bar End Modules available
- Many exterior finish options can be applied to the base cabinet: powdercoat paint, brushed stainless steel, laminates and natural wood finishes
- A variety of countertop materials and finishes are available
- Other custom options are offered. Refer to the options schedule on page 33
- LED lighting strips are mounted in the sneeze guard canopy. Various light intensities/spectrums are available
- Cayuga Displays proprietary air-over refrigeration system is designed to maximize product freshness and quality
- Full electrical certification. All electrical components ETL/UL certified
- Meets ADA and NSF-7 Standards
- Food pans can be displayed in a flat or slightly angled position
- Brushed stainless steel tub and sneezeguard canopy
- Fixed tempered sneezeguard glass
- Equipped with remote refrigeration
- Self-contained refrigeration available. Contact Cayuga Displays for details
- Super E-Coat is applied to the evaporator coils to prevent corrosion from acids, oils and brines
- A standard finished end panel detail (x2) is shown in the illustrations on this page. Customize with the many Food Bar End Modules: for soup, salad dressings, drinks, other food products and container storage. For more information on these End Modules, refer to pages 37 & 38

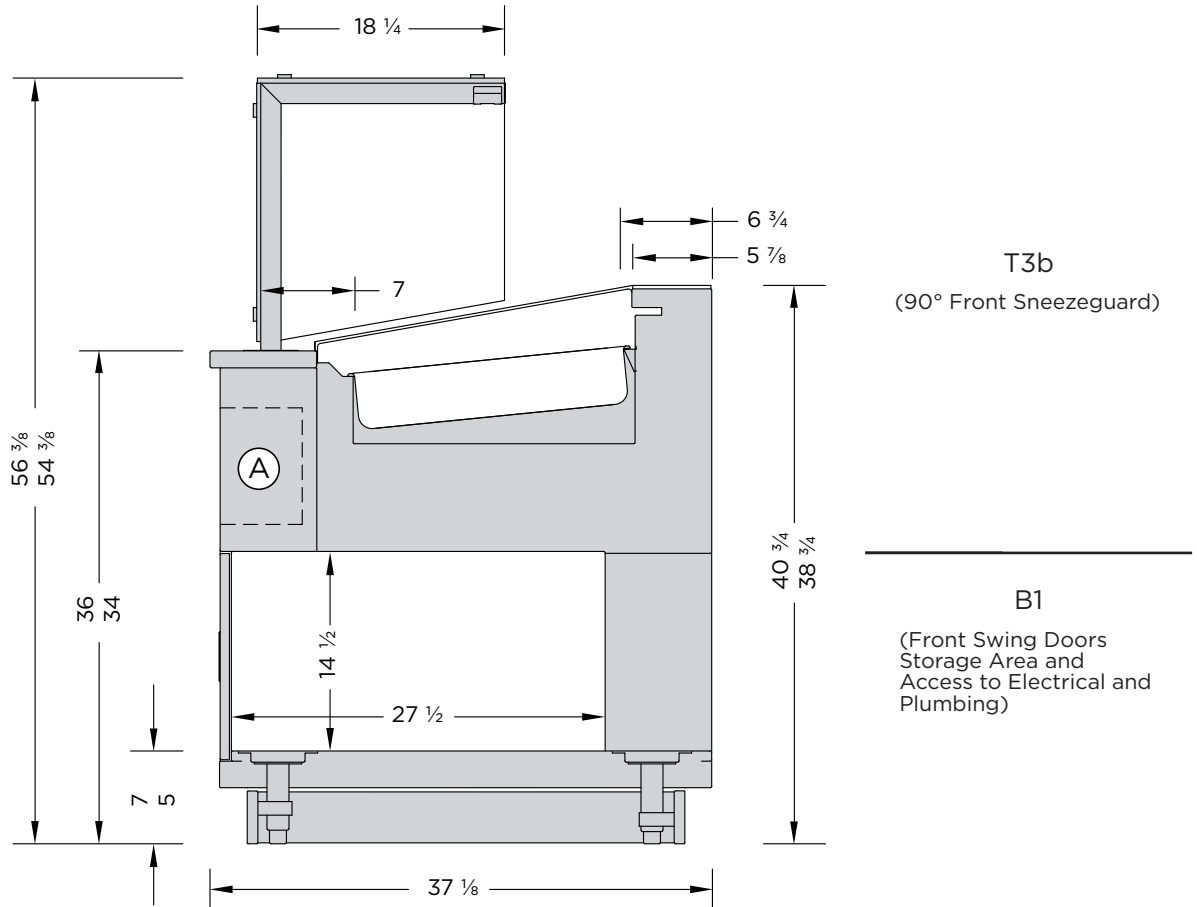

Note: Information and specifications may change due to engineering improvements.
